Note 1: in the case of tie in number of victories for more than two wrestlers in each weight categories, the following criteria determine the wrestlers for competing :

a) The result of direct match of wrestlers
b) Highest classification points
c) Number of victories by fall
d) Number of victories by technical superiority
e) The fewest technical points given

And the best one go to final directly and the two others need to have a match and the winner goes to final and the loser hold match for 3rd place.

Note1: victories by technical superiority means 8 point difference in Greco-Roman and 10 point in Free style .

Note2: if the two wrestlers determine for classification matches , has direct competition in preliminary rounds , the results of that match is base for classification and another match will not hold for classification of those wrestler for first to six titles

- The minimum number of 6 wrestlers for each team is allowed for participation in the competition.
