Policy to Safeguard Athletes from Harassment & Abuse

1. Preamble

UWW is committed to ensure a safe and respectful environment for all the stakeholders involved in the practise, development or promotion of the sport, whether as athletes, coaches, referees, officials of National Federations, UWW Bureau members or staff. UWW rejects and condemns any form of physical and psychological abuse and harassment and is firmly determined to initiate proceedings against any case of abuse and harassment within its jurisdiction and to collaborate with National Federations, National Olympic Committees, MEOs and Law Enforcement Authorities to resolve any such case arising outside its jurisdiction.

In this framework, UWW believe that keeping a safe environment requires information, education and open dialogue for all stakeholders.

2. Definitions & scope of application

Harassment and Abuse

Harassment and abuse can be expressed in five forms which may occur in combination or in isolation.

These include:

- i) Psychological abuse
- ii) Physical abuse
- iii) Sexual harassment
- iv) Sexual abuse
- v) Neglect

These forms of abuse are defined as:

(i) Psychological abuse – means any unwelcome act including confinement, isolation, verbal assault, humiliation, intimidation, infantilization, or any other treatment which may diminish the sense of identity, dignity, and self-worth.

(ii) Physical abuse – means any deliberate and unwelcome act - such as for example punching, beating, biting and burning - that causes physical trauma or injury. Such act can also consist of forced or inappropriate physical activity (e.g., age- or physique- inappropriate training loads; when injured or in pain), forced alcohol consumption, or forced doping practices.

(iii) Sexual harassment – any unwanted and unwelcome conduct of a sexual nature, whether verbal, non-verbal or physical. Sexual harassment can take the form of sexual abuse.

(iv) Sexual abuse – any conduct of a sexual nature, whether non-contact, contact or penetrative, where consent is coerced/manipulated or is not or cannot be given.

(v) Neglect – within the meaning of this Policy means the failure of a coach or another person with a duty of care towards the Covered Individual to provide a minimum level of care to the Covered Individual, which is causing harm, allowing harm to be caused, or creating an imminent danger of harm.

Harassment and abuse can be based on any grounds including race, religion, colour, creed, ethnic origin, physical attributes, gender, sexual orientation, age disability, socio-economic status and athletic ability. It can include a one-off incident or a series of incidents. It may be in-person or online.
Harassment and abuse often result from an abuse of authority, meaning the improper use of a position of influence, power or authority by an individual against another person.
