

## Referee and Coaches Education Week

**5-11 November 2017, Manchester, United Kingdom**

Following the Bureau Meeting in Paris decision to implement the Referee Education Plan 2017-2021, United World Wrestling is organizing a Referee and Coaches Education week supported by UWW Refereeing and Coaches Commissions.

The UWW Referee and Coaches Education week is a 7 days event comprising educator course, workshops and practical sessions for referees of category 1 or 1S and national elite coaches. Topics range from wrestling specific technical knowledge such as coaching, refereeing, safety rules updates with the objective to improve the sport in general from both referees and coaches' perspectives.

The education week will be the first of many education programmes provided by UWW to improve the sport of wrestling and create a platform of exchanges for all the officials involved in the UWW major events and ultimately the Olympic Games.
